

D A TRADERS

Spice & Coffee Exporters · Wayanad, Kerala, India

Direct-from-origin exporter of hill-grown coffee, black & white pepper and small cardamom, sourced directly from farms in Nadavayal, Wayanad (Western Ghats, 700m–1100m MSL). Fully clean, moisture-tested, grade-sorted and packaged for domestic wholesale & export.

Registration status: Spices Board of India & Coffee Board of India registration in progress.

Key Trade Metrics

Origin	Nadavayal & Western Ghats belts, Wayanad, Kerala — PIN 670721
Black Pepper Specs	TGSEB / TGEB / MG-1 — up to 600+ g/L bulk density, ≤11% moisture
Coffee Specs	Arabica Plantation A/AA & Robusta Cherry/Parchment — Screen 14–19
Supply Capacity	Samples (100g) to wholesale lots to full container loads (~18 MT / 20ft FCL)
Port of Loading	Cochin (Kochi) Port, Kerala, India
Incoterms Supported	FOB, CFR, CIF (quoted per shipment)

Commodity Catalog & Benchmark Index

Market Reference Price = the raw Wayanad APMC / Idukki auction rate before our grading, processing and export margin — not our fixed selling price. Verified against live mandi & auction data as of 26 Aug 2026. Garbled/TGSEB-grade pepper trades well above the ungarbled baseline shown (around Rs. 850/kg at major garbled markets). Order tiers shown are Sample → Minimum Wholesale → Full Container Load. Final export quotes depend on packing type, Incoterms and grade selection.

Commodity	Processing	Trade Grades	Market Ref. Price*	Sample → Wholesale → FCL
Black Pepper	Garbled / Sun-Dried	TGSEB, TGEB, MG-1, Ungarbled	Rs. 679–706/kg	100g / 100kg / 18MT
White Pepper	Double-Retted & Washed	A1, A2, A3	Contact for quote	100g / 50kg / 5MT
Coffee (Robusta)	Cherry / Parchment	MNEB, MN, Cherry AB, Parchment AB, PB	Rs. 216–221/kg	100g / 250kg / 19MT
Coffee (Arabica)	Plantation / Cherry	Plantation AAA/AA/A, Cherry AA/AB, PB	Contact for quote	100g / 250kg / 19MT
Small Cardamom	Kiln-Cured, Colour-Sorted	AGEB, AGB, AGS	Rs. 2,996–3,143/kg	100g / 25kg / 1MT

Technical Specifications

Black & White Pepper

Grade	Screen / Size	Bulk Density	Notes
TGSEB	> 4.75mm	≥ 600 g/L	Top export grade
TGEB	> 4.25mm	≥ 570 g/L	Gourmet export standard
MG-1	3.0–4.0mm	500–550 g/L	Standard industrial export grade
Ungarbled (MUG-1)	Mixed	Mixed	Sorted by weight on request
White Pepper A1	> 4.0mm	—	Extra bold, cream-white, <1% discoloured
White Pepper A2/A3	Standard/Commercial	—	Off-white, greater size/colour variance

Moisture ≤11.0% (black), ≤12.0% (white) | Piperine 4.5–6.0% | Extraneous matter <0.5% garbled | Packed in 25/50 kg multi-wall PP bags or food-grade jute bags.

Small Cardamom

Grade	Pod Size	Notes
AGEB	≥ 8.0mm	Largest, boldest pods — top premium grade
AGB	≥ 7.5mm	High-grade wholesale standard
AGS	≥ 7.0mm	Domestic trade standard

Volatile/essential oil 3.5–6.0% | Moisture ≤10.0% | Extraneous matter <1.0% | Vacuum-sealed inner bags inside 10/25 kg corrugated master cartons. Pod-count-per-100g and split-pod tolerance confirmed per lot on request.

Coffee (Arabica & Robusta)

Grade	Screen Size	Description
Plantation AAA/AA	18/19 (>7.1mm)	Extra-large, high-altitude Arabica — top export tier
Plantation A	17 (6.65mm)	Standard export grade, specialty blending
Plantation B	15/16 (6.0mm)	Commercial roasting standard
MNEB (Robusta)	18+ (>7.1mm)	Largest, boldest Robusta cherry — top export grade
Robusta Cherry/Parchment AB	14/16 (5.5–6.5mm)	High-volume commercial export standard
Peaberry (PB)	Single round bean	Rare mutation, concentrated flavour — premium

Export moisture standard 11.0–12.5% max | Defect count ≤3% triage max | Signature blend: 80% Arabica / 20% Robusta (70/30, 50/50 & custom ratios available) | Packed in 60 kg jute bags with GrainPro hermetic liners.

Roast Profiles

Roast	Temperature	Character
Light Roast	180°C–205°C	High acidity, floral notes, light body
Medium Roast	210°C–220°C	Balanced sweetness, medium body, standard filter roast
Dark Roast	225°C–235°C	Bold, low acidity, smoky notes, rich crema, built for espresso

Shipping & Logistics

Container Loading Capacity	Up to ~18–19 MT per 20ft FCL for coffee & pepper, subject to product & packing
Incoterms Supported	FOB, CFR, or CIF to destination port — quoted per shipment
Port of Loading	Cochin (Kochi) Port, Kerala — the nearest major international container terminal to Wayanad
Packaging — Coffee	60 kg food-grade jute bags with GrainPro hermetic moisture-lock liners
Packaging — Pepper	25 kg / 50 kg multi-wall PP bags, or food-grade jute bags on request
Packaging — Cardamom	Vacuum-sealed inner bags inside 10 kg / 25 kg corrugated export master cartons

Processing & Quality Control Pipeline

1. **Sourcing & Inspection** — farm-gate collection with initial moisture testing and physical defect check on every lot.
2. **Drying & Curing** — sun-dried (coffee, pepper) or kiln-cured under controlled temperature (cardamom).
3. **Garbling & Size Grading** — sieve-screen sizing and gravity/density separation for uniform bulk density.
4. **QC Testing & Export Packing** — moisture, density and purity certified per lot before packing.

We follow ISO 22000-aligned hygiene practices and farm-level pesticide compliance on every lot. Spices Board of India and Coffee Board of India registration is currently in progress.

Contact & Ordering

Address	Nadavayal Road, Cheengode, Panamaram, Wayanad, Kerala 670721, India
Contact	Mr. K J Devassia — +91 94956 94011
WhatsApp	Abhin Vos — +44 7918 866764
Email	export@datraders.in
Hours	Mon–Fri, 9:00 am – 5:00 pm IST
